- Village Council - None

Public Hearings: None

Public Comments: None

Existing Business:

1. Special Land Use Ordinance

The Planning Commission reviewed the different style options presented on how to format this section of the zoning code. The Planning Commission liked the all-inclusive approach that had the districts where each use would be allowed, along with the various approvals for that use in each district where possibly allowed.

The Planning Commission also discussed the uses allowed around the airport. There was discussion to make it more restrictive to place a large hangar on the north side of Bonanza where there is no real means of accessing the runway. The idea was discussed to allow self-storage units on this side of Bonanza if such could be screened and located at a reasonable distance from residential uses. It was also discussed that hangars over a certain size should be treated as some type of a Special Land Use, and not as a permitted use.

* Grey arrived to the meeting at 7:05 PM.

2. Redevelopment Ready Communities Program

A motion was made by Schofield, seconded by Tafreshi, to recommend to the Village Council that the Village participate in the Redevelopment Ready Communities program.
VOICE VOTE: MOTION CARRIED 5-0-0.

New Business:

1. Alternative Energy Ordinance

The Planning Commission reviewed a rough draft of possible amendments to the Zoning Code to address alternative energy systems at residential properties. There was discussion regarding whether to allow wind turbines as either free standing structures or attached to a structure. Concerns were voiced over noise and appearance and there was not strong support for relaxing the zoning to make it permissible to install a wind turbine.

Public Comments: None

With no further business, the Planning Commission stood in adjournment at 8:08 PM.

Jeffrey P. Grey, Village Clerk

* Grey arrived to the meeting at 7:05 PM.

MAY VILLAGE MANAGER'S REPORT

- Year to date Code Enforcement & Permit Numbers are Attached.
- The Council covered a large number of items at its April meeting; those minutes are attached and cover the bulk of what has happened since the last meeting.
- The brush dump is open again; we are accepting brush and bagged yard waste other than grass clipping.
- The LIPOA and Village are planning a meeting for new community members the evening of August 17th.
- In addition to the zoning permits approved, we have 1 permit pending for a new home on Carmen Drive. We also have been contacted about two different Special Land Use projects. The first is a garage across the street from a dwelling. The other is a Family Day Care Home looking to increase to a Group Day Care Home.
- We recently completed work on Baseline Road and Bishop/Seabury for gravel and drainage.

Village of Lake Isabella
Village Council Minutes
Regular Meeting – April 25, 2017

1010 Clubhouse Drive
Lake Isabella, MI, 48893

The Meeting was called to order by Lake Isabella President Dave Torgerson, at 7:00 PM and the pledge of allegiance was recited.

Members Present: Eberhart, Cueny, Grey, Griffin, Shoemaker¹, & Torgerson
Members Excused: Kiel

Agenda Approval:

President Torgerson asked if there were changes to be requested to the Agenda as prepared. There were no requests to amend the Agenda, and Torgerson ruled that it was accepted without objection.

Election of Officers & Committee Assignments:

A motion was made by Grey, seconded by Cueny, to keep the slate of officers currently in office the same. This included the following:

- Village President: Dave Torgerson
- Village Clerk: Jeff Grey
- Village Treasurer: Charles Kiel
- Village Deputy Clerk: John Eberhart
- Village Deputy Treasurer: Arnold Griffin

ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, & Torgerson NAYS: None; MOTION CARRIED (5-0-0).

A motion was made by Griffin, seconded by Grey, to name John Eberhart as President Pro-Tempore of the Village. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, & Torgerson NAYS: None; MOTION CARRIED (5-0-0).

There was discussion about who to appoint from the Council to the Planning Commission. Grey offered the position to Cueny. Cueny thanked Grey for the offer, but declined due to his winter travel plans. Cueny stated that he would like to serve, but feels it is more important for somebody to be appointed that can be there in the winter.

Torgerson asked if there were objections to keeping the same appointments to Committees which include the following:

- Planning Commission: Jeff Grey
- Zoning Board of Appeals: Arnold Griffin
- Airport Advisory Board: Jeff Grey
- Liaison Committee: Paul Cueny
John Eberhart
Arnold Griffin

¹ Councilman Shoemaker arrived late to the meeting at 7:05 PM.

There were no objections from the Council to re-appointing the same slate of individuals to serve on the various Committees used by the Council; Torgerson ruled that the appointments were made without objection.

Consent Agenda:

A motion to accept the Consent Agenda as presented was made by Griffin, seconded by Eberhart, which included the following items:

1. December – Invoices & Bills Paid
2. December – Investment Report
3. December – Balance Sheet

23. Minutes, April 12, 2017 Finance Committee Meeting

ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

Reports & Presentations:

1. Village President Torgerson thanked staff for their ability to keep the Village operational during the winter months. He also congratulated staff on receiving an award from the Michigan Municipal League for work place safety.
2. Village Manager Wolff discussed Code Enforcement, calls for service as reported by Isabella County Central Dispatch, gravel street work, and street paving estimate requests from Rowe.

Steve Clark from Rowe provided an update to the Village Council on the Baseline Septic Field Criteria Project for Lake Isabella South and Lake Isabella Golf Estates II. He detailed that the Village and Rowe have submitted five different drafts of the proposal and have yet to get a final approval from the MDEQ. Mostly recently in December the

Village submitted what was believed to be the final changes requested only to have 5 pages of new comments and questions returned to the Village.

Both Clark and Wolff stated that it is their opinion that if the MDEQ does not have a favorable reply to the most recent submission made on April 17th that a meeting should be scheduled with all the stakeholders before any further work is done.

- LIPOA Russell presented the LIPOA Report. He discussed the campground, Board of Directors Election for this year's Annual Meeting, and Garage Sale Saturday on May 20th.

Public Hearings:

- Proposed Ordinance 2017-01: Update of Fence Regulations

Torgerson opened the public hearing at 7:25 PM.

- Public Comments: None
- Council Comments: None

Torgerson closed the public hearing at 7:26 PM.

A motion was made by Cueny, seconded by Eberhart, to adopt proposed ordinance 2017-01 which updates the regulation of fencing in the village. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

- Proposed Resolution 2017-01: Sale of Village Lots

Torgerson opened the public hearing at 7:28 PM.

- Public Comments: None
- Council Comments: Shoemaker asked how many lots were being offered for sale. Wolff reported that this resolution lists 19 lots.

Torgerson closed the public hearing at 7:31 PM.

A motion was made by Grey, seconded by Griffin, to adopt proposed resolution 2017-01 which offers for sale 19 lots owned by the Village. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

Public Comments:

- Brian Roberts of York Drive discussed a recent incident that his wife and dog had with a dog leaving its yard at the intersection of Kent and Lincoln. He stated that they no longer feel safe walking in the neighborhood, and would like the Village to have the dog in question removed as they feel it is a vicious animal.

Eberhart stated that if the other dog attacked the Robert's dog that it should be removed.

Cueny apologized to the Robert's for the events, and shared a story of a time when his own dog showed an aggressive temperament and the action he took.

Wolff discussed that the threshold in the ordinance to establish a burden of proof is either a report from Animal Control which describes an attack or other act of aggression. Or, the statements of two individuals can be used to satisfy the ordinance requirements. In this case the report from animal control does not describe anything that happened once

the dog left the yard and approached the Robert's dog. There were no puncture marks on the Robert's dog, and the version of events is different for the two parties involved.

Griffin discussed whether removing the dog in question from the community was the right move as if it were truly dangerous it would be wrong to rehome the dog and have a incident happen at the new location.

There was discussion regarding possible changes to explore in the ordinance. This included a process where a hearing could be held at the Village Council for the Council to take action in removing an animal from the community.

Existing Business: None

New Business

1. 2016 Annual Planning & Zoning Report

The Village Council thanked the Planning Commission for their work in 2016. The 2016 Annual Planning & Zoning Report was accepted without objection.

2. Site Plan Agreement – PWGG, LLC (Isabella Pellet)

The Council received the Site Plan Agreement as recommended by the Planning Commission. Mr. Gary Glawe the President of PWGG, LLC was in attendance and he said he had reviewed the proposed agreement and had no problems with it.

He updated the Council on progress made at the site with reducing the finish product that is on-site and also their work on the berms.

He asked if he needed permission to add more trees to the site than what is shown on the drawings. Wolff stated that the drawings represented the minimum, and if he wanted to add to the trees that would be welcomed and would not need approval from the Village.

A motion was made by Cueny, seconded by Eberhart, to approve the Site Plan Agreement with PWGG, LLC. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

3. Proposed Resolution 2017-02; Broomfield Twp. Fire Protection Special Assessment Annual Renewal; Resolution 1 of 2

A motion was made by Cueny seconded by Griffin, to adopt proposed Resolution 2017-02 as presented. This resolution is the first of two required resolutions to annually renew the Special Assessment District which provides funding for fire protection services in the Broomfield Township area of the village. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

4. Review and Approval of Bids; Property & Liability Insurance Coverage

Torgerson and Grey both discussed their review of the proposal from the MMRMA based on the work of the Finance Committee. Both spoke favorably of the proposal and stated that there were a lot of value added benefits that make sense for the Village to become engaged with.

A motion was made by Grey, seconded by Cueny, to approve the proposals submitted by Michigan Municipal Risk Management Authority (MMRMA) for \$5,000,000 of coverage at a cost of \$6,990 for the 2017-18 FY. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

5. Review and Approval of Bids; Three-year Audit Agreement

A motion was made by Cueny, seconded by Grey, to approve the proposal of Roslund Prestage & Company in the amount of \$26,700 to do the Village's annual audit for three years beginning with the 2016-17 FY. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

6. Proposed Resolution 2017-03; Rescinding Resolution 2016-22

The Council discussed what steps should be taken with respect to the election of a Charter Commission to begin the Charter Review Process now that the filing deadline has passed for candidates without any one filing to run.

Griffin stated that the state may need to step-in and give the Village direction on what to do if nobody runs.

Wolff stated that the Village is required to hold the election for the Charter Commission at, or before, the November 2018 General Election. As such, the Village could rescind Resolution 2016-22 and seek answers from the State on what to do.

A motion was made by Eberhart, seconded by Griffin, to adopt proposed resolution 2017-03 which rescinds Resolution 2016-22 and would thereby cancel the Special Election planned for August of 2017. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

7. Proposed Resolution 2017-04; Redevelopment Ready Communities

A motion was made by Cueny, seconded by Griffin, to adopt proposed resolution 2017-04 which declares the Village's intent to become engaged in the Redevelopment Ready Communities Program from the MEDC. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

8. Proposed Agreement with BS&A Software

A motion was made by Cueny, seconded by Eberhart, to approve the proposal from BS&A with the "Pay-Per-Hit" option to convert the Village's tax receipting software as proposed by Isabella County. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

9. Planning Commission Appointment

Wolff reported that George Dunn submitted his resignation from the Planning Commission, which was accepted at March meeting. The Village advertised for the opening and received one applicant.

Torgerson stated that he would like to appoint Mike Simon to the remainder of George Dunn's term. There were no objections from the Council to the appointment.

10. Approval of 2017 Fireworks Contract

A motion was made by Cueny, seconded by Eberhart, to approve the proposed contract with Freedom Fireworks for the 2017 Fireworks, and also approve the required permit for the show. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

11. Article VI Review Project & Employee Handbook Update

Wolff discussed the desire to tackle a couple of larger administrative projects that will require involvement from the Village Council. These projects are an update of the Village's Employee Handbook and also the Comprehensive Update to Article VI of the Codified Ordinances. Wolff suggested that the Council either create an Ad-hoc Committee or two to deal with these topics, or work on them over the course of a few Work Sessions.

The Council liked the idea of Work Sessions where members could participate as they were able to. Wolff suggested that the Council deal with the scheduling aspect of that during the May meeting.

12. Proposed Resolution 2017-05; Closure of Bank Account

A motion was made by Grey, seconded by Griffin, to adopt proposed resolution 2017-05 which would close the bank account for the Local Streets Special Assessment Paving Project. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

13. Proposed Resolution 2017-06; Budget Amendments

A motion was made by Eberhart, seconded by Grey, to adopt proposed resolution 2017-06 which amends the General Fund and Local Streets Fund budgets. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

14. Proposed Fire/Rescue Coverage Agreement

The Council discussed the request from the MMRMA to revisit the proposed agreement with the Fire Board to have language included which details insurance coverage. Since that language has not been forwarded to the Village yet, Wolff suggested that the Council adopt the agreement and then work with the Fire Board to approve language once it is supplied by the MMRMA.

A motion was made by Cueny, seconded by Eberhart, to adopt the fire coverage contract for 2017-18. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

15. 2017 Lake Patrols

A motion was made by Cueny, seconded by Eberhart, to approve the proposed Lake Patrol Agreement and submit it to Isabella County for their approval. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

16. Proposed Resolution 2017-07; Updated Signatures

A motion was made by Cueny, seconded by Griffin, to adopt proposed resolution 2017-07 which updates the Village’s authorized signers with Isabella Bank to reflect the following officers of the Village Council:

- Village President: Dave Torgerson
- Village President Pro-Tempore: John Eberhart
- Village Clerk: Jeff Grey
- Village Treasurer: Charles Kiel
- Village Deputy Treasurer: Arnold Griffin

ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

17. Proposed Resolution 2017-08; Updated Permit Fee Schedule

A motion was made by Grey, seconded by Griffin, to adopt proposed resolution 2017-08 which updates the fee schedule for the Village. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

18. Approval of Website Agreement

Grey discussed the proposal from Revize to redesign and host the Village’s website. He stated he had reservations about the idea, but was impressed with the presentation and looked around and feels that the offer quoted to the Village is a very competitive price.

A motion was made by Cueny, seconded by Eberhart, to approve the website agreement with Revize for \$2,200 plus annual costs of \$1,200. ROLL CALL VOTE; YEAS: Eberhart, Cueny, Grey, Griffin, Shoemaker & Torgerson NAYS: None; MOTION CARRIED (6-0-0).

Public Comments: None

With no further business, the Village Council stood in adjournment at 9:27 PM.

May 9th Planning Commission Meeting Agenda Memorandum

Agenda Item:	Existing Business #1
Submitted by:	Tim Wolff, Village Manager
Subject:	Ordinance 2017-02

Discussion

Our project to update the use/development standards is ready for your review. There are a few areas that need to be completed in the draft, but the bulk of the document is the individual requirements for each proposed use. That is ready for your review and modification.

For this month's meeting I would like to provide the Planning Commission with an overview of the draft, get feedback on the areas needing completion, and then provide you with a hard copy so that you can review it over the next month. At the June meeting we can hold a Hearing and do the mark-up from your review.

Village of Lake Isabella

1010 Clubhouse Drive
Lake Isabella, MI, 48893

Article XII – Planning & Zoning

Chapter 1262 – Development Standards

Created on [REDACTED] by Ordinance 2017-02

Chapter 1262.01	Purpose
Chapter 1262.03	Application Procedures for Special Land Uses
Chapter 1262.05	General Review Criteria for Special Land Uses
Chapter 1262.07	Development Standards

1262.01 PURPOSE
[Need to Complete]

1262.03 APPLICATION PROCEDURES FOR SPECIAL LAND USES
[Need to Complete]

1262.05 GENERAL REVIEW CRITERIAL FOR SPECIAL LAND USES

The general requirements for all special land uses are as follows:

1. Whether the proposed development is in general agreement with the adopted Village Master Plan.
2. Whether the density or use characteristics of the proposed development are detrimental to adjacent properties and land uses.
3. The special land use shall not be hazardous to adjacent property or involve uses, activities, materials or equipment which will be detrimental to the health, safety or welfare of persons or property due to traffic, noise, smoke, odor, fumes or glare.
4. The special land use shall be adequately served by essential public facilities and services; or it shall be demonstrated that the person responsible for the proposed special use shall be able to continually provide adequate services and facilities deemed essential to the special use under consideration.
5. The special land use shall represent an improvement to the property under consideration and the surrounding area in general.
6. The special land use shall not place demands on public services and facilities in excess of current capacity.

1262.07 DEVELOPMENT STANDARDS

The development and use of land in the Village of Lake Isabella for anything other than a detached single-family dwelling shall occur only as may be allowed in the Zoning Code. Specific development standards for uses defined in the Zoning Code shall be as follows:

A. PURPOSE

In the development of a community it is recognized that there are some uses which, because of their very nature, are recognized as having serious objectionable operational characteristics, particularly when several of them are concentrated under certain circumstances thereby having a deleterious effect upon the adjacent areas. Special regulation of these objectionable uses is necessary to ensure that their adverse effects will not contribute to the blighting or downgrading of the surrounding neighborhood, increase crime and prostitution, or deteriorate property values. The primary control or regulation is for the purpose of preventing a concentration of these uses in any one area (i.e.; not more than one such uses within 1,320 feet of another which would create such effects) is based on no less than the following eight documented effects of such use:

- 1) Sexually oriented businesses featuring nudity and sexual activities produce negative secondary effects of increased crime rates, declining or depressed property values, and a diminished sense of safety and security in members of the general public when walking in the vicinity of these businesses;
- 2) The negative secondary effects of sexually oriented businesses can be reduced or minimized by dispersing the sexually oriented businesses and requiring minimum distances between the sexually oriented businesses;
- 3) The negative secondary effects of sexually oriented businesses are exacerbated by close proximity to bars serving alcoholic beverages by the glass;
- 4) To minimize the negative secondary effects of sexually oriented businesses on residential areas and the community at large, the sexually oriented businesses should be located a minimum distance away from any residential zoning district, school, church, or public park;
- 5) The zoning regulations allow for the location of sexually oriented businesses within specified zoning districts of the Village of Lake Isabella, and a reasonable number of sites legally are available to be acquired and used by sexually oriented businesses;
- 6) The negative secondary effects of public nudity, live nude performances, and the combination of nudity and businesses serving alcoholic beverages by the glass, can be minimized or eradicated by a local ordinance prohibiting public nudity as authorized by Michigan Statutes;
- 7) Requiring dancers and other performers to wear a minimal amount of clothing, such as pasties and a G-string, in order to comply with the ordinance

EXHIBIT A

will have little or no effect on the expressive element of the performances;

- 8) The zoning code provisions prohibiting public nudity live nude performances, and the combination of nudity and businesses serving alcoholic beverages by the glass are narrowly drawn to apply to businesses and performers that offer nude performances on a regular basis, excluding occasional nude performances from the purview of the ordinance.

The above rationale is based upon numerous studies and findings of fact considered by the Village Council and Planning Commission which document a clear connection between sexually oriented businesses and a negative impact without limitation on the surrounding community. C. LOCATIONAL REGULATIONS

1. An application to establish an adult entertainment activity shall not be approved if there is already in existence 1 or more adult entertainment activities within 1,320 feet of the boundaries of the site of the proposed activities, excepting as otherwise provided for within this section.
2. An application to establish an adult entertainment activity shall not be approved if the proposed location is within 1,320 feet of any existing single-family dwellings, or within 500 feet of any state licensed mobile home park, bar or tavern, licensed day care center, adult foster care home, senior citizens' center, K thru 12 school, public park, or church, excepting as otherwise provided for within this Article.
3. The Village Council may waive the locational standards limiting adult entertainment activities as they relate to similar uses if the following findings are made:
 - a. That the proposed use will not be contrary to the public interest or injurious to nearby properties and that the spirit and intent of the article will be observed.
 - b. That the proposed use will not enlarge or encourage the development of a "skid row" area.

EXHIBIT A

- c. That the establishment of such regulated use in the area will not be contrary to any program of neighborhood conservation nor will it interfere with any program of urban renewal.
 - d. That all applicable regulations of the code of ordinances will be observed.
4. The Village Council may waive the locational standards limiting adult entertainment activities as they relate to residentially zoned districts, licensed day care centers, adult foster care homes, senior citizen centers, state licensed mobile, bar or tavern K thru 12 schools, public parks, or churches; provided that a validated petition requesting such a waiver, signed by the owners of record of at least 51 percent of parcels of land within 1,320 feet of the proposed location is presented to the Planning Commission during its review of the project prior to its recommendation to the Village Council. The circulated petition shall contain the following:
 - a. The circulator of the petition requesting a waiver shall subscribe to an affidavit attesting to the fact that the circulator personally witnessed the signatures on the petition and the same were affixed to the petition by the person whose name appeared thereon.
 - b. The petition will be so worded that the signers of the petition will attest to the fact that they are the owners or purchasers of the parcel of land identified by the permanent parcel number opposite their signature.
5. An applicant requesting a waiver of locational requirements shall file an application with the Zoning Administrator, however, the Zoning Administrator shall not accept an application for the waiver of locational requirements for an adult entertainment activity as they relate to residentially zoned districts, licensed day care centers, adult foster care homes, senior citizen centers, state licensed mobile home park, bar or tavern K through 12 schools, public parks, or churches without a petition as required herein. Said petition shall be validated by the Village Clerk. The Zoning Administrator shall then notify the Planning Commission of the receipt of the requests and petition within 15 days of filing.
6. Prior to the granting of a waiver of locational requirements, Village Council may impose any conditions or limitations upon the establishment, location, construction, maintenance, or operations of regulated use as may in its judgment be necessary for the protection of the public interest. Any evidence and guarantee may be required as proof that the conditions stipulated in connection therewith will be fulfilled.

15. Use: Borrow Pit

District Schedule:

LR-1	LR-2	AR	LR-3	C-1	ECB	WCB	AC	RLM	Ag	OSR
-	-	-	-	-	-	-	-	S3	S3	-

Development Standards:

- A. It shall be the responsibility of the landowner or permit holder to use ecological conservation practices for all areas used for said sand and gravel excavation.
- B. No business or industrial buildings or structures of a permanent nature shall be erected, except when such building is a permitted use within the district in which the gravel pit is located.

EXHIBIT A

- C. The Village Council may require that part or all of the operation be screened.
- D. No excavation shall come within 150 feet of a residence or within 100 feet of a property line or a road right-of-way. The Village Council may allow excavation activities within this minimum set back area during the reclamation process provided no excavation is allowed within 50 feet of any property line and no activity is allowed within 25 feet of any property line. The minimum parcel size for any mineral extraction use shall be 80 acres.
- E. All truck operations shall be directed away from residential streets.
- F. Noise and vibration shall be minimized in their effect upon adjacent properties by the utilization of modern equipment designed to accomplish such minimization and by the proper use of berms, walls and natural planting screens. All equipment shall be maintained and operated in such a manner so as to eliminate, as far as practicable, excessive noise and vibrations which are not necessary in the operation of such equipment.
- G. Air pollution in the form of dust and dirt shall also be kept to a minimum by the use of modern equipment and methods of operation designed to avoid any excessive dust or dirt or other air pollution injurious or substantially annoying to adjoining property owners. Interior and adjoining roads used in the operations shall have their surface treated to minimize any such nuisance.
- H Reclamation and rehabilitation of mined areas shall be accomplished progressively as the area is being mined. Not more than 50% of the intended project area for projects of greater than 40 acres, or more than 75% for projects of 40 acres or less, may be completed before restoration must begin. Substantial completion of reclamation and rehabilitation shall be effected within one year after the termination of mining or excavation activity in each area. Inactivity for a 12 month consecutive period shall constitute, for this purpose, termination of mining activity.
- I. The banks of all excavations shall be sloped to the waterline in a water-producing excavation, and to the pit floor in a dry operation at a slope which shall not be steeper than 1 foot vertical to four feet horizontal.
- J. Topsoil of a quality equal to that occurring naturally in the area shall be replaced on excavated areas not covered by water, except where streets, beaches or other planned improvements are to be completed within a one-year period. Top soil shall be applied and compacted to a minimum depth of four inches sufficient to support vegetation.
- K. Vegetation similar to that which existed prior to the excavation process shall be restored by the appropriate seeding of grasses or the planting of trees and shrubs to establish a permanent vegetative cover on the land surface and to minimize erosion.
- L. Upon cessation of mining operations by abandonment or otherwise, the operation company, within a reasonable period of time not to exceed 12 months thereafter, shall remove all plant structures, foundations, buildings, stockpiles and equipment, provided that buildings and structures which have a function

EXHIBIT A

under the reclamation plan and which can be lawfully used under the requirements of the zoning district in which they will be located may be retained.

- M. No mineral extraction activity shall be allowed or commenced until a plan has been submitted and approved by the Planning Commission disclosing compliance with all of the provisions of the code of ordinances or the manner in which compliance will be secured by the applicant. Such plans include, among other things, the following:
 - 1. A contour map of the tract of land involved in the operations, including dimensions of the same, access thereto, abutting public streets, additional roads, if any, to be constructed and the location and nature of abutting improvements on adjoining property.
 - 2. The number of acres and the location of the same proposed to be operated upon within the following 12 months' period after commencement of operations and the planned stages of reclamation.
 - 3. The type of mining or processing proposed to be conducted and the nature of the equipment to be used.
 - 4. The location of the principal processing plant and the distance of any proposed excavation or mining from the boundaries of the site.
 - 5. A reclamation map or plan disclosing the final grades and elevations to be established following the completion of the mining operations, including the proposed uses then contemplated for the land, future lakes and roads and such other matters as may evidence the bona fide nature of the reclamation and rehabilitation plans and the fact that the land will not be devastated and rendered unusable by the proposed mining activities.
- N. For the purpose of legal non-conforming mineral extraction industries, expansion shall not be permitted if the expansion exceeds 50% of the area disturbed by mining activities as of July 1, 2008. All expansion after July 1, 2008 shall be reclaimed in accordance with Chapter 1226.
- O. All permit applications for excavation must be co-signed by both the landowner and the operator.

Proposed Changes to Sections 1214.03, 1214.05, and 1214.07

1214.03 APPLICABILITY

The Village of Lake Isabella utilizes three different levels of Site Plan submissions. Those are as follows:

Basic Site Plan: Also known as a “plot plan,” is used for detached single-family dwellings, additions to detached single-family dwellings, and accessory structures in single-family zoned districts. A Basic Site plan must be at a minimum a sketch or superimposed drawing over an aerial photograph of the site showing distances and dimensions. It does not have to be to scale.

Medium Site Plan: A Medium Site Plan must be drawn to scale on paper of at least 8.5” x 11’, and must be presented in a manner such that the Zoning Administrator can interpret the drawing. A Medium Site Plan is required for:

1. [Any permitted use in a non-residential district.](#)
2. [Any use listed as having an S1 Level Approval](#)
3. [Any use listed as having an S2 Level Approval if being conducted in an existing structure.](#)
4. [Matters before the Zoning Board of Appeals](#)

~~(1) Any permitted use other than a detached single-family dwelling to be located in an existing structure;~~

~~(2) For any matter before the Zoning Board of Appeals;~~

~~(3) For anything not listed as needing a Basic Site Plan or a Detailed Site Plan;~~

~~(4) For an addition to an existing commercial structure which is equal to or less than 20% of the existing footprint of the structure;~~

~~(5) For an addition to an existing industrial structure which is equal to or less than 10% of the existing footprint of the structure; or~~

~~(6) Items as listed in the Zoning Code.~~

Detailed Site Plan: A Detailed Site Plan is required for:

1. [Any use having an S2 Level approval being proposed in a new structure.](#)
2. [Any use having an S3 Level approval.](#)

~~(1) Any new non-residential structure;~~

~~(2) All Special Land Uses;~~

~~(3.) Planned Unit Developments;~~

~~(4.) Private roads;~~

~~(5) Condominiums;~~

~~(6) 5. [New Plats and/or](#) Site Condominium projects;~~

~~(7) All other items required by the Zoning Code.~~

EXHIBIT B

1214.05 DETAILED SITE PLAN REQUIREMENTS

[COMMENT: I WOULD LIKE TO CONSIDER CHANGING THIS SECTION TO A TABLE THAT LISTS WHAT ITEMS ARE REQUIRED FOR EACH LEVEL OF SITE PLAN]

Each site plan submitted shall contain the following information, unless specifically waived by the Planning Commission, in whole or in part;

1. The name and address of the property owner and petitioner if different from the owner.
2. The legal description of the parcel, including acreage.
3. Floor Plan and Elevation drawings for all structures with a foot print greater than 200 square feet. Elevations shall include the exterior finishes of the structure, and include dimensions for all windows, door, and other pertinent features.
4. A detailed plot plan of the site, including:
 - 1) The name and address of the individual or firm responsible for the preparation of the site plan.
 - 2) The date, north arrow, and scale. The scale shall be not less than 1" = 20' for property under three acres and at least 1" = 100' for those three acres or more.
 - 3) All lot and/or property lines are to be shown and dimensioned, including required setback lines.
 - 4) The location and height of all existing and proposed structures on and within 100' of the subject property's boundary.
 - 5) The location and dimensions of all existing and proposed drives, sidewalks, curb openings, signs, exterior lighting, curbing, parking areas (show dimensions of a typical parking space), unloading areas, recreation areas, common use areas, and areas to be conveyed for public use and purpose.
 - 6) The centerline location of adjacent or abutting roads, streets, alleys or ingress/egress easements and detail as to the total and improved width of the adjacent or abutting road, street, alley, or ingress/egress easement and existing and proposed surface types.
 - 7) The respective zoning abutting the subject property.
 - 8) The location, height and types of fences, walls and landscaping.
 - 9) Size and location of existing and proposed utilities, including proposed connections to public sewer or water supply systems.
 - 10) Trash receptacle location and screening.
 - 11) The location and size of all surface water drainage facilities.
 - 12) A location sketch drawn to scale, showing the location of the site within the jurisdictional boundary of the Village of Lake Isabella.

EXHIBIT B

- 13) Natural Features such as wetlands, high risk erosion area, slopes over 10%, or woodland areas. For the purpose of this sub-section, a woodland area is defined as any parcel which has eight or more mature trees for every quarter-acre and portion thereof with a trunk diameter of six inches or more.
- 14) A full color illustration of all proposed signs, including the size of the proposed sign, height of proposed signs, and location of signs on the site or structure(s).
- 15) For multiple family and mobile home developments, contour intervals shall be shown (two foot intervals for average slopes ten percent and under, five foot intervals for slopes over ten percent). Topography, however, is encouraged to be shown on all site plans.

1214.07 REVIEW PROCEDURE

- Step 1. Pre-Application Conference: An optional meeting is held between the developer and the Village. The Village should be represented by the Zoning Administrator and the Chair of the Planning Commission. The project shall be reviewed, and what information is needed for the preliminary Site Plan submission discussed.
- Step 2. Preliminary Site Plan Submission: The developer completes a Preliminary Site Plan and submits it to the Planning Commission for review.
- Step 3. Preliminary Site Plan Review: The Planning Commission reviews the Preliminary Site Plan. At this step in the process, the Planning Commission determines what, if any, additional studies will be required as part of its official review, as well as if the Site Plan Escrow Account will be used in the process.
- Step 4. Completed Site Plan Submission: The developer completes the needed items as detailed by the Planning Commission during its review of the Preliminary Site Plan and submits the completed document, along with the receipt of acknowledgement, to the Zoning Administrator.
- Step 5. Public Notice: The Zoning Administrator schedules a Public Hearing for the next regular meeting date of the Planning Commission that is at least 21 days from the date of receipt. Notice of the hearing is to be mailed to all property owners within 300 feet of the property subject to the Site Plan, as well as published in a paper of general circulation at least 15 days before the hearing.
- Step 6. Public Hearing: The Planning Commission holds a public hearing, prior to conducting its final review.
- Step 7. Review & Recommendation: The Planning Commission conducts its final review after the close of the public hearing. As part of its review, the Planning Commission may impose conditions on the approval, require changes to the proposed Site Plan, post-pone action for additional materials, or recommend approval or denial to the Village Council.
- Step 8. Final Approval: The developer makes any required modifications, and submits an updated Site Plan along with a Development Agreement which details the requirements imposed by the Planning Commission to the Village Council for review and approval.

~~1218.01 – COMMUNICATION TOWERS & WINDMILLS~~

- ~~1. Communication Towers, Free Standing Antennas, and Windmills and their attendant facilities shall be permitted in agricultural, open space recreation, and industrial districts provided said use and structure(s) shall be located centrally on a continuous parcel of not less than one times the height of the tower measured from the base of the tower to all points on each property line. Applicants shall demonstrate a justification for the proposed height of the structure(s), and shall be required to submit an evaluation of alternative designs which might result in lower heights prior to approval by the Village of Lake Isabella.~~
- ~~2. Communication Towers, Free Standing Antennas, and Windmills located within the approved Michigan Department of Transportation or Federal Aviation Administration part 77 airport approach plan must meet the height and safety requirements contained within the MDOT and FAA regulations.~~

1218.01 WIND ENERGY SYSTEMS

1. Monopole construction shall only be permitted in the RLM, Ag, and OSR Districts.
2. The setback for a Wind Energy System shall be equal to, or greater than, the height of the Wind Energy System grade level to the peak of the blade. This setback may be waived if written permission is obtained from the adjoining owner where a lesser setback is desired. In no cases shall the Wind Energy System, including supporting cables be within 10 feet of a property line.
3. Wind Energy Systems shall be setback from the ordinary high water mark of any lake or river by 50 feet.
4. Wind Energy Systems shall be limited to a rated capacity of 10 kilowatts.
5. Parcels which are less than 1 acre in size shall be limited to one Wind Energy System. Parcels 1 acre in size or greater may have two Wind Energy Systems.

EXHIBIT C

6. All wiring connecting a free standing Wind Energy System shall be located underground.
7. Wind Energy Systems shall not be mounted, attached, or otherwise secured to a structure.
8. Wind Energy Systems shall not be allowed within 500 feet of a single-family dwelling.

1218.03 SOLAR ENERGY SYSTEMS

1. If mounted on the roof or walls of a structure, they shall be considered part of the structure and the structure must be in compliance with height and setback regulations.
2. Ground mounted Solar Panels shall not be located between a structure and the street, and shall meet a 10 foot setback from any part of the panel to a property line.
3. Solar Panels shall be setback from the ordinary high water mark of any lake or river by 50 feet, and shall not be located in any area designated as a flood zone.
4. In residential districts free standing Solar Panels shall be limited to a total area of 60 square feet per parcel.
5. All wiring used to connect a Solar Panel shall be located underground.
6. In residential districts the maximum allowed height for a free standing Solar Panel shall be five feet.

1218.05 ANTENNAS, DISH ANTENNAS, CHIMNEYS & VENTS

1. Antennas and Dish Antennas for personal use may be erected and used in conjunction with an established use in any district.
2. Dish Antennas may not exceed one meter in diameter (39.37").
3. Antennas and Dish Antennas may not be located more than 12 feet above the roofline of the structure it is attached to, but in no circumstance shall any antenna, dish antenna, chimney, stack, or vent exceed the maximum allowed height in its respective zoning district. In cases where there are topographical features or established trees on the parcel, the antenna or dish antenna may exceed the peak of the roofline by not more than 18 feet, only where it is physically attached to such roofline at the base.
4. When due to topographical features or interference from established trees on a parcel where the Antenna or Dish Antenna is to be located, the Antenna or Dish Antenna may be located elsewhere on the parcel, but shall not exceed a total height from grade to peak of 8 feet. The location of any such Antenna or Dish Antenna shall not be in any required yard setback.
5. The number of Antenna or Dish Antenna shall be limited to the least number required to receive service.

May 9th Planning Commission Meeting Agenda Memorandum

Agenda Item:	New Business #1
Submitted by:	Tim Wolff, Village Manager
Subject:	Floodplain Regulations

Discussion

I would like to get direction from the Planning Commission on whether we should more thoroughly address development and fill activity in the floodplain. A complaint has been made regarding fill activity on a lot within the Floodplain. The DEQ has stated that they do not enforce the floodplain with respect to the lake, and Isabella County only deals with floodplain regulation during the development process.
